Understood. Thank you. Would you mind if we send the letter to defense counsel by email right now, so that we can feel out how they're going to respond? It affects whether we turn over certain materials to them tomorrow.

It's your call of course, but if you can get an estimate I would give the judge that.

Jason, if this will not be done by Thursday morning, you should file a letter with the court.

Dear Ms. White,

DHS has been ordered to serve certain A-files on defense counsel in a criminal matter pending in federal court in Brooklyn. The judge's order is attached. In lieu of releasing the actual files, we will release certified copies – one set for each of the 2 defense teams and 1 set for the AUSA.

I've asked ICE Special Agent Eric Silverman to kindly copy the files and present them to you for certification. Please let me know if your office will be able to certify the copies sometime Thursday or Friday.

Thank you.
